

UTKARSH GOSWAMI

FULL STACK DEVELOPER

900-679-2044 | KOLKATA, INDIA | UGOSWAMI1112@GMAIL.COM | [PORTFOLIO](#)

Summary

Experienced Full Stack Developer with a strong foundation in Java, Python, JavaScript, HTML5, and CSS3 programming languages. Proficient in utilizing frameworks such as Maven, Express Spring Boot, Flask, and React to deliver robust and scalable web applications. Adept at working with both SQL Server and MongoDB databases. Adept at problem-solving, collaborating cross-functionally, and continuously acquiring new skills to stay at the forefront of technology. Proven history in the banking and financial services sector as an automation tester and a successful full stack developer. Demonstrated adaptability to diverse technologies and a constant thirst for learning.

Skills & abilities

- **Programming Languages:** Java, Python, JavaScript, HTML, CSS
- **Frameworks:** Maven, Spring Boot, Flask, Express, React
- **Databases:** SQL Server, MongoDB
- **Tools:** Jenkins CI/CD, Jira
- **Automation Testing:** Java, Selenium
- **Version Control:** Git, Gitlab

Experience

COGNIZANT, KOLKATA

Full-stack web developer | August, 2021 – Present

- Developed and maintained various full stack applications utilizing React, Node.js, Spring boot, REST API, SQL and MongoDB.
- Optimized application performance by 30% through refactoring and reducing total response time by 25%.
- Collaborated with the team and developed user friendly, high fidelity interactive user interface components with reusable components on React and Node.js.
- Tested code to ensure correct implementation using Jest, Mocha, and Junit testing suites.
- Implemented error logging and tracked bug fixes using Jira and automated for continuous development and deployment by utilizing tools such as Jenkins, Octopus deploy, and Gitlab.

COGNIZANT, KOLKATA

Automation Tester | November, 2020 – July, 2021

- Developed and executed comprehensive automation test scripts using Java and Selenium, enhancing the reliability and efficiency of testing procedures.
 - Collaborated with the development team to identify and resolve issues, ensuring the delivery of high-quality software products.
 - Contributed to the enhancement of test frameworks, resulting in more accurate and efficient testing processes.
 - Provided valuable insights to improve software quality and streamline development cycles.
-

Education

NSHM COLLEGE OF MANAGEMENT AND TECHNOLOGY

Durgapur, West Bengal | Bachelors in Computer Application

Earned 8.25 GPA and completed relevant coursework in web development, database management, and software engineering

Communication

Excellent communication skills enable me to collaborate with clients, stakeholders, and cross-functional teams to deliver high-quality results.

Leadership

Mentor junior developers, coordinate project tasks, and implement best practices to ensure timely delivery of high-quality web applications.
